Allegan Response Area Agreement

Second Quarter Operations Summary April, May, June 2017

Life EMS is committed to excellence in the communities we serve. We believe the information contained in this report is indicative of our pursuit of excellence and of the highest quality of emergency medical services.

This report reflects Life EMS responses for the five municipalities covered by the Allegan Response Area Agreement for the months of April, May, and June 2017. In addition it provides a brief comparison between the 2017 and 2016 data sets to highlight annual changes and trends.

In the second quarter of 2017 Life EMS Ambulance responded to 441 requests for service in the five municipalities covered by this agreement. This resulted in 338 total transports. Our aggregate on time performance for priority one life threatening emergencies was 99% with an average response time of 5 minutes and 8 seconds. By way of comparison, our 2016 2nd quarter responses totaled 362 requests resulting in 282 transports with a priority one on time performance of 98%.

We provided 149 inter-facility transports from Allegan General Hospital and 123 wheelchair van trips throughout the community. This compares to 169 inter-facility ambulance and 135 wheelchair transports in the second quarter of 2016. Inter-facility ambulance volume has decreased approximately 12% and wheelchair volume has decreased by 9% in comparison to the previous year.

Life EMS responded to 39 mutual aid requests in the 2nd quarter of 2017 resulting in 29 transports. We requested mutual aid 3 times. In comparison, during the 2nd quarter of 2016 we received 42 mutual aid requests (resulting in 35 transports) and requested 4.

This quarter we were requested 221 times to sit post as coverage for other EMS agencies. This resulted in 134.43 hours in which we adjusted our staging to assist other communities. This is a decrease from 151.62 hours in the 2nd quarter of 2016. Life EMS continues to carefully evaluate the staging of our ambulances to ensure that adequate coverage remains for our communities during these request times.

There were 10 incidents in which Life EMS Ambulance provided medical coverage to area fire departments. This resulted in 5 hours and 44 minutes of high quality advanced life support coverage to rescue workers at no additional cost to our communities.

Ensuring clinical excellence in the pre-hospital arena is something that the Life EMS quality improvement team continually strives for. Through engagement in various initiatives we work to keep our EMT's and paramedics invested in clinical care and focused on patient outcomes. Recently Life EMS signed on to become part of a new 10 prong pediatric drug dosing safety system in association with Dr. John Hoyle, Dr. Bill Fales, and the Western Michigan University Homer Stryker School of Medicine. Termed MI-PEERS, the Michigan Pediatric EMS Error Reduction Study seeks to raise the bar for medication administration safety in the state-of-Michigan. Life EMS Ambulance is one of eight primary participating EMS agencies from across the state that will be included in the 30 month study that will

include process improvement tactics such as a pediatric specific equipment / resource checklists, patient weight polling / sharing, patient treatment cross checks, additional documentation requirements, and post-run surveys and case reviews. In addition to our previously selected Kalamazoo and Kent County operations we have committed to bringing this valuable initiative to our Allegan and Van-Buren operations as well to ensure that the cutting edge pre-hospital clinical excellence is consistently applied throughout our South Operation.

Transitioning from clinical excellence to building community ties we find that Life EMS Ambulance participated in 19 community-related activities during the second quarter of 2017. Among these events both “Boomer Bash” and “Career Day” merit additional highlighting.

Boomer Bash is a free event designed to promote health and wellness for those aged 55+, and is open to Allegan county residents as well as those in adjacent counties. This year’s bash took place on June 1st 2017 at the First Baptist Church in Allegan and Life EMS Ambulance was proud to be an ongoing sponsor for this one-of-a-kind get together along with many other community partners including Allegan General Hospital. Kimberly Middleton, Community Relations Coordinator for Life EMS Ambulance, was once again selected as the event chair, and has overseen the planning and organization for the past two years. Themed “The Radical 60’s”, this year’s event hosted approximately 300 participants who were able enjoy:

- Workshops promoting healthy choices and active lifestyles
- Health screenings provided by Allegan General Hospital
- Access to a variety of community resources ranging from medical needs to social opportunities
- Entertainment and Social Interaction with Peers
- Complimentary continental breakfast and lunch

In addition to our support through sponsorship and organization, associates from Life EMS Ambulance’s Allegan base were onsite offering medical standby and assistance as needed. As the largest users of our service, the health and welfare of our older adults is important and we are pleased to demonstrate our on-going commitment to this fun, informational, and beneficial event in Allegan County.

Career Day is an event designed to expose school-age children to a variety of occupations in order to build awareness and interest in the younger generations. As in years past, Life EMS attended Career Day at North Ward, West Ward, and Pine Trails elementary schools providing ambulance tours and information on the EMT and Paramedic career paths to future workforce members. We continue to believe that through raising awareness of public servant professions such as emergency medical services we can continue to build a workforce for the future.

Finally, In addition to the previously mentioned work, Life EMS continues preparations for another consistent area of community contribution in the form of Camp 911. Kimberly Middleton has been hard at work prepping for camp 911 sessions by working with our community partners. This outstanding FREE program gives children the knowledge, skills, and confidence to protect themselves and react safely in emergency situations. We currently have 7 camps scheduled to take place within our South operation in the upcoming weeks with the Allegan camp set for July 20th from 9am-4pm at the Allegan High School Tiger’s Den and has 21 children between the ages of 9 and 11 registered to attend with additional openings still available at this event.

As this report demonstrates, Life EMS has an unwavering commitment to provide the best pre-hospital advanced life support to the communities we are entrusted with. We continue to improve, learn, and grow. We look forward to the continued partnerships of the Allegan group and consider it a privilege to serve a community of which we are an integral part. Our compassion for people, skill to deliver timely care, and drive to succeed is at the heart of what we do every day at Life EMS. Thank you for allowing us to demonstrate this to you the communities we partner with.
