# Allegan Response Area Agreement

## 3<sup>rd</sup> Quarter Operations Summary July, August, September 2018

Life EMS is committed to excellence in the communities we serve. We believe the information contained in this report is indicative of our pursuit of excellence and quality as a provider of emergency medical services.

This report reflects Life EMS responses for the five municipalities covered by the Allegan Response Area Agreement for the months of July, August and September 2018. In addition it provides a brief comparison between the 2018 and 2017 data sets to highlight annual changes and trends.

In the first quarter of 2018 Life EMS Ambulance responded to 412 pre-hospital requests for service in the five municipalities covered by this agreement. This resulted in 328 total transports. Our aggregate on time performance for priority one life threatening emergencies was 96% with an average response time of 6 minutes and 13 seconds. By way of comparison, our 2017 3<sup>rd</sup> quarter responses totaled 473 requests resulting in 385 transports with a priority one on time performance of 99%.

We provided 137 inter-facility transports from Allegan General Hospital and 128 wheelchair van trips throughout the community. This compares to 161 inter-facility ambulance and 110 wheelchair transports in the 3<sup>rd</sup> quarter of 2017. Inter-facility ambulance volume has decreased by approximately 17% and wheelchair volume has increased by approximately 16% in comparison to the previous year.

There were 3 incidents in which Life EMS Ambulance provided medical coverage to area fire departments resulting in approximately 4 hours of high quality advanced life support coverage to rescue workers at no additional cost to our communities.

Life EMS responded to 64 mutual aid requests in the 3<sup>rd</sup> quarter of 2018 resulting in 49 transports. In comparison, during the 3<sup>rd</sup> quarter of 2017 we received 40 mutual aid requests resulting in 35 transports.

This quarter we were requested 93 times to sit post as coverage for other EMS agencies. This resulted in 56.59 hours in which we adjusted our staging to assist other communities. This is significantly lower than the 221 posts and 134 hours in the 3<sup>rd</sup> quarter of 2017. Life EMS continues to carefully evaluate the staging of our ambulances to ensure that adequate coverage remains for our communities during these request times.

Community engagement is an element carefully woven into the fabric of Life EMS and we were once again very active during the 3<sup>rd</sup> quarter of 2018. Chief in focus among the 32 community related events, was our very own Camp 911 program.

Life EMS Ambulance hosted Camp 911 on Thursday, July 19<sup>th</sup> at the Allegan High School. Camp 911 is a program that is offered FREE of charge in the communities we serve and teaches children ages 9-11 the importance of emergency preparedness. This year's camp hosted a record setting 40 children who were exposed to Water Safety, Fire Safety, CPR/First Aid and Self-Defense. Lunch followed and was generously provided by camp sponsor, Pizza Hut. The group experienced a field trip to Allegan County Central Dispatch where they learned about "Accessing 911" first-hand. Following the central dispatch stop and for the first time ever the group visited Allegan General Hospital where participants engaged in

a “germ talk”. During the talk children learned how illness spreads and what they can do to prevent germ transmission through simple hand washing techniques. The group then toured the Allegan General blood bank and learned about the process of blood donation and its importance to the community. Life EMS would like to acknowledge the continuous support of our community partners including the Allegan Fire District, Allegan General Hospital, Allegan County Central Dispatch, Allegan Public Schools, Allegan County Sheriff’s Department, Michigan State Police and the United States Coast Guard Auxiliary.

Another highlight of this quarter included participation in the annual Allegan General Hospital trauma / surge exercise conducted on August 2<sup>nd</sup>. Large scale mass casualty drilling is an invaluable part of healthcare preparedness and creates a necessary focus on the interface between fire, law enforcement, emergency management, emergency medical services, and hospital based healthcare providers. Life EMS requires standardized national incident management training for all field personnel that includes ICS 100, 200, and 700. For the Allegan General trauma / surge exercise, Life EMS donated the service of an ambulance and full field crew. Allegan based paramedic Mike Weaver and South Operations EMT Heather Heppe assisted with the transport of simulated casualties into the exercise to enhance the scenario’s realism and to test field to hospital patient turnover protocols. Participation in these types of large scale planned MCI’s is critical in preparing our personnel and our community for real world scenarios and provides a vehicle to put incident command education into action.

The final example of this quarter’s community involvement was the August 9<sup>th</sup> participation in the sixth annual Allegan County Veteran Stand Down. Organized by Allegan County Senior and Veteran Services and held at the First Baptist Church, 1290 32<sup>nd</sup> Street, this free outreach event provides resources to veterans who are either homeless or struggling with housing and finances. Through a connection with available services the event hopes to improve quality of life for area veterans. Life EMS Ambulance has been the official lunch sponsor since 2015 and this year provided lunch to over 80 veterans in addition to their guests and the community vendors. It is always an honor to support those who gave so much to protect our nation.

As this report demonstrates, Life EMS has an unwavering commitment to provide the best pre-hospital advanced life support to the communities we are entrusted with. We continue to improve, learn, and grow. We look forward to the continued partnerships of the Allegan group and consider it a privilege to serve a community of which we are an integral part. Our compassion for people, skill to deliver timely care, and drive to succeed is at the heart of what we do every day at Life EMS. Thank you for allowing us to demonstrate this to you the communities we partner with.
