AMBULANCE

Allegan Response Area Community Board Update Minutes 7/17/2019

Present: John Pinkster (Life), Kraig Dodge (Life), Marv Voss (Cheshire), Jerry Barbini (AGH), Jeff Kaylor (Trowbridge Twp), Steve Schulz (Allegan Twp), Jay Gibson (AL City), Nick Brink (AFD)

1. Called to order at 08:05 by John Pinkster. Introductions.
2. Motion and approval of Q2 2019 minutes.
3. Operations report – John reported that overall things were going well. Transport volumes on ambulance were up for Q2 2019 which has translated to a better overall budget situation as compared to 2018.
4. Call stats and performance metrics were presented by John. No questions were asked.
5. The Financial report was presented by Kraig Dodge and reviewed minus the month of June. YTD revenue was up given the increase in ambulance transports, which was reflected in the financial report.
6. Other business:
 - a. Columbia Twp. John updated the group that Life EMS was still pursuing the Columbia area. Movement seemed to be continuing forward but at a very slow pace.
 - b. Steve Schulz thanked Life EMS for the excellent job that continues to be done for the community.
8. Adjourned 8:35 A.M. Next meeting scheduled for Wednesday October 16, 2019 at 08:00

Allegan Response Area Agreement

3rd Quarter Operations Summary July, August, September 2019

Life EMS is committed to excellence in the communities we serve. We believe the information contained in this report is indicative of our pursuit of excellence and quality as a provider of emergency medical services.

This report reflects Life EMS responses for the five municipalities covered by the Allegan Response Area Agreement for the months of July, August and September 2019. In addition it provides a brief comparison between the 2019 and 2018 data sets to highlight annual changes and trends.

In the first quarter of 2019 Life EMS Ambulance responded to 432 pre-hospital requests for service in the five municipalities covered by this agreement. This resulted in 334 total transports. Our aggregate on time performance for priority one life threatening emergencies was 96% with an average response time of 6 minutes and 35 seconds. By way of comparison, our 2018 3rd quarter responses totaled 412 requests resulting in 328 transports with a priority one on time performance of 96%.

We provided 146 inter-facility transports from Allegan General Hospital and 170 wheelchair van trips throughout the community. This compares to 137 inter-facility ambulance and 128 wheelchair transports in the 3rd quarter of 2018. Ambulance volume has risen slightly with wheelchair volume increasing significantly in comparison to the previous year.

Life EMS responded to 74 mutual aid requests in the 3rd quarter of 2019 resulting in 61 transports. In comparison, during the 3rd quarter of 2018 we received 64 mutual aid requests resulting in 49 transports.

This quarter we were requested 162 times to sit post as coverage for other EMS agencies. This resulted in 107 hours in which we adjusted our staging to assist other communities. This is a significant increase from the 56.69 hours in the 3rd quarter of 2018 with significant increases in both the Plainwell EMS and AMR service areas (42 and 13 hours respectively for 2018). Life EMS continues to carefully evaluate the staging of our ambulances to ensure that adequate coverage remains for our communities during these request times.

Facing continually evolving threats in society is something on not only the headlines of many news agencies but also the minds of leaders in public safety. Recently, region 5 made large strides forward in EMS safety and education with a heavy push toward rescue task force training. Rescue Task Force (RTF) is a rapidly scalable response model that allows for universally applicable mixed specialty team deployments into “warm zones” on active assailant scenes (formerly referred to as “active shooter”). The three pronged goal of the RTF concept is to treat immediate life threats through combat proven lifesaving interventions, identify patient transport priorities through SALT triage and create a casualty collection point for efficient patient extraction and transport.

Regionally there have been several “train the trainer” events in which Life EMS associates Erik Olsen, Dane VanHorn, Matt Dawson and Jed Wild were certified as regional RTF trainers. Life EMS made an aggressive early push on the awareness level education once released within Kalamazoo County and already has the regionally provided plate carriers and mass casualty medical treatment bags deployed

on all front-line ambulances. Life EMS plans to push RTF to the next operational level through mandatory, live, in-seat training hosted in concert with Bronson Methodist Hospital at the Jasper Street Clinic. Utilizing this venue Life EMS personnel and other area responders will work together to practice RTF concepts in real-world facilities driving home the methodologies presented in the awareness level course and elevating the skill set of our field personnel to deal with present and future threats in concert with our fire and law enforcement partners. In the “all-hazards” world public safety personnel respond to on a daily basis, it is not a matter of if RTF training will be put to use, but rather when and against what type of threat.

Shifting our focus from responder preparedness to community relations we find that Life EMS Ambulance has been involved in over 32 community-related events within Allegan County during the months of July, August and September. Highlights among these events include the Allegan General Full-Scale MSEL Exercise, Clyde Twp FD Ambulance orientation (August 15), Allegan County Fair Coverage and of course our very own Camp 911 program.

Camp 911 is an outstanding FREE educational program that gives children ages 9-11 the knowledge, skills, and confidence to protect themselves and react safely in emergency situations. This summer the south operation of Life EMS hosted 6 camps during the month of July. The Allegan camp took place on July 18 from 9am-4pm at the Allegan High School Tiger’s Den and was host to 25 eager and energetic children. Included in the Allegan County camp again this year was a field trip to the Allegan County Central Dispatch Center. This exciting stop offered participants the chance to watch real-time 911 calls being processed and then learn about how they are coded, assigned and deployed to real-world first responders. The back end of the field trip included a tour of Allegan General Hospital’s lab and blood bank where participants enjoyed a “germ talk” breakout session that gave them an opportunity to learn about germs, the spread of illness, and the basics of infection prevention / control through simple techniques such as handwashing. We are pleased with the continued success of our camp 911 program and would like to thank the many community partners in our Allegan service area that made this year’s camp a resounding success.

As this report demonstrates, Life EMS has an unwavering commitment to provide the best pre-hospital advanced life support to the communities we are entrusted with. We continue to improve, learn, and grow. We look forward to the continued partnerships of the Allegan group and consider it a privilege to serve a community of which we are an integral part. Our compassion for people, skill to deliver timely care, and drive to succeed is at the heart of what we do every day at Life EMS. Thank you for allowing us to demonstrate this to you the communities we partner with.
