

Allegan Response Area Community Board Update

Agenda 1/16/2019

08:00-09:00

1. Call to order
2. Review / approval of minutes from 10/17/2018
3. Allegan Response Area report – October 1, 2018 – December 31, 2018
 - a. Operations Overview – John Pinkster
 - b. Response Time and Mutual Aid Statistics – John Pinkster
 - c. Financial Performance Summary – Kraig Dodge
 - d. General Operations Discussion
4. Other Business
 - a. Update on Allegan service area contract renewals.
 - b. Update on EMTrack.
 - c. Update on Fennville service area
 - d. Update on Columbia Township service area
 - e. Open forum / comments
5. Next Meeting Date: **Wednesday April 17, 2019 (08:00) AGH Michigan Room**
6. Adjourn

**Allegan Response Area Community Board Update
Minutes 10/17/2018**

Attendees: Jerry Barbini, Rick Hoyer, Kraig Dodge, Markie McGowan, Steve Revor, Marv Voss, Ron Remington, Steve Schulz, John Pinkster.

1. Meeting was called to order 805 by John Pinkster
2. Approval of minutes Q2 2018 minutes. Motion by Marv and 2nd by Steve. Motion carries and minutes approved as submitted.
3. Response report
 - a. Camp 911 was a big hit. AGH noted how excited the kids were about the event.
 - b. Call transports are down.
4. Financial- transports are down so revenue and revenue is down correspondingly. Fuel costs noted to have risen during 2018.
5. Contract request – John explained that given the financial statement / status of the Allegan service area Life EMS would be moving forward with the contractually described annual subsidy increase of 2.5%.
6. John updated the group that the new regional medication bag has been fully implemented and is working well. The bag minimizes down time for crews that transport out of the service area.
7. John updated the group that a new patient tracking program (EMTrack) will be going live in Allegan County on Nov 1st at both AGH and PIPP hospitals with a plan to continue rolling this product out across the region.
8. John reported an update on the LOGIS CAD. It is reported that for the most part ALS is functioning well. Mobility transport grouping has been one of the primary challenges and is still in progress of resolution.
9. John reported that Life EMS has taken over EMS operations for Oceana County and launched on October 1st.
10. Jerry Barbini confirmed that Michigan room reservations are confirmed for 2019.
11. Open Forum
 - a. Steve asked about transport costs charges vs collected and the gap between the two. Discussion took place on this topic.
 - b. Steve asked about vehicle equipment and if the Allegan area is scheduled for any vehicle replacements. John advised that 902 is due for replacement this coming year and that the unit will be a gas truck.
 - c. Marv reported that due to a lack of quorum the April meeting minutes had not been approved. Motion made by Marv to approve Q1 2018 minutes. Ron supports. Motion carries.
12. Meeting adjourned at 835. Next meeting January 16, 2019.

Allegan Response Area Agreement

4th Quarter Operations Summary October, November, December 2018

Life EMS is committed to excellence in the communities we serve. We believe the information contained in this report is indicative of our pursuit of excellence and quality as a provider of emergency medical services.

This report reflects Life EMS responses for the five municipalities covered by the Allegan Response Area Agreement for the months of October, November and December 2018. In addition it provides a brief comparison between the 2018 and 2017 data sets to highlight annual changes and trends.

In the first quarter of 2018 Life EMS Ambulance responded to 373 pre-hospital requests for service in the five municipalities covered by this agreement. This resulted in 302 total transports. Our aggregate on time performance for priority one life threatening emergencies was 98% with an average response time of 5 minutes and 18 seconds. By way of comparison, our 2017 4th quarter responses totaled 412 requests resulting in 347 transports with a priority one on time performance of 99% and an average response time of 5 minutes 48 seconds.

We provided 153 inter-facility transports from Allegan General Hospital and 119 wheelchair van trips throughout the community. This compares to 160 inter-facility ambulance and 105 wheelchair transports in the 4th quarter of 2017. Inter-facility ambulance volume has fallen slightly while wheelchair volume has risen slightly in comparison to the previous year.

Life EMS responded to 56 mutual aid requests in the 4th quarter of 2018 resulting in 44 transports. In comparison, during the 4th quarter of 2017 we received 56 mutual aid requests resulting in 44 transports. We provided medical standby and rehab coverage to area first responders at 10 unique incidents for a total of 11.73 hours in advanced life support coverage to area rescue workers at no additional cost to our communities.

Transport volume is one of many critical factors for EMS operations when it comes to fiscal responsibility and long term sustainability with 2018 proving to be a year that cooled the overall growth rate of 10.7% seen in 2017. 2018 kicked off with depleted volumes for January, February, and March at negative 9.4%, 13.8% and 8.9% respectively when compared to 2017. The second quarter rebounded some with April being flat and June coming in at a healthy 10.8% growth. July, August and September saw an overall decrease of 8.7% and we rounded out the year down 6.5% annually compared to calendar year 2017 with just under 2,100 total ambulance transports completed.

Life EMS monitors transport volumes closely and has worked diligently to keep overall labor, fuel and supply costs contained in the face of a downward turn in revenue secondary to decreased transport volumes. We are hopeful that the New Year will bring with it a renewed growth pattern and will continue to monitor and adapt our staffing levels and strategies in order continue our reputation of service excellence in the Allegan service area.

Shifting from community volume reporting to a larger scale regional level integration we find that Life EMS recently participated in the MI-TESA drill.

MI-TESA (Michigan Transportable Emergency Surge Assistance) is a 40-bed mobile field hospital that is stored and maintained by the 5th Medical Response Coalition (5DMRC). The MI-TESA medical unit expands a jurisdiction's surge capacity, and is designed to re-establish emergency triage / treatment when the local healthcare infrastructure has been disrupted. The unit may be deployed anywhere within the state, and can be deployed to other states through the Emergency Management Assistance Compact (EMAC).

The 2018 MI-TESA exercise was a "functional" level drill hosted on the campus of KVCC in Kalamazoo County on October 10, and involved three distinct operational phases spanning a full 0800-1730 day. During the exercise Life EMS personnel assessed, treated and transported moulaged patients into and out from TESA, which allowed hospital, pharmacy and leadership personnel practice in managing disaster level patient flow in a realistic manner. Radio communication was utilized to enhance the realism as were some preliminary patient sorting capabilities through EMTrack.

Life EMS, the only EMS agency that had field crew participation in the exercise, demonstrated the ability to deploy a crew for each of the three operations phases without interrupting or impacting service to our Allegan, Van Buren, or Kalamazoo communities. Crews involved with TESA raved about the experience, stating that it provided them with a new perspective on EMS service in mass scale disaster situations while simultaneously enhancing their knowledge of the challenges EMS providers would face if and when we are deployed in the real world.

Transitioning from a regional outlook back to a focus on community we find that Life EMS participated in 9 community related events during the 4th quarter of 2018. One highlight among these was an opportunity to bring care on a personal level through our continued support of the Allegan Fire District Christmas Basket Program. This annual holiday program is designed to identify and assist area families in need by providing a basket full of food and toys to those who might otherwise go without. Life EMS, for the second year in a row, provided a financial donation to the cause as well as assisting Allegan Fire District members in the delivery of the baskets on December 20 and 22. Life EMS associates Rick Holly, Markie McGowan, Keone Bareng, Lisa Perrin and Derek Broadbent were among those who helped deliver a bit of holiday cheer to keep the season bright.

As this report demonstrates, Life EMS has an unwavering commitment to provide the best pre-hospital advanced life support to the communities we are entrusted with. We continue to improve, learn, and grow. We look forward to the continued partnerships of the Allegan group and consider it a privilege to serve a community of which we are an integral part. Our compassion for people, skill to deliver timely care, and drive to succeed is at the heart of what we do every day at Life EMS. Thank you for allowing us to demonstrate this to you the communities we partner with.
